### RE: Update on DISL 2021 Outdoor Soccer Season

The Durham Islamic Soccer League would like to thank all members for their patience while we navigate through these unprecedented and challenging times. The league would also like to thank all frontline and essential workers for keeping our communities safe and functioning.

The DISL is currently monitoring the ongoing COVID-19 situation in the GTA. We are in constant communication with local public health authorities with regards to the 2021 season. With COVID infection rates being on a steep incline throughout the province and with very stringent gathering limits in place, the DISL is currently suspending registration for the upcoming season. The Board of Directors will make a further decision regarding the season on May 1.

We can assure you that any and all decisions being made are with regards to the health and safety of all DISL members as top priority. We will provide more information as it becomes available.

We appreciate your cooperation and understanding during these challenging times.
